## IASB meeting on future reviews of the *IFRS for SMEs*

At its February 2015 meeting the IASB met to discuss the procedures surrounding future reviews of the *IFRS for SMEs*. The IASB tentatively decided that:

1. comprehensive reviews of the *IFRS for SMEs* should commence approximately two years after the effective date of amendments to the *IFRS for SMEs* resulting from a previous comprehensive review. Comprehensive reviews should generally begin with the issuance of a Request for Information.
2. between comprehensive reviews, the IASB, with input from the SME Implementation Group, would consider whether there is a need for an interim review to address any new and revised IFRSs not yet incorporated or urgent amendments.
3. this process would mean that amendments to the *IFRS for SMEs* would be no more frequent than approximately once every three years.
