Objective of this paper

1. The objective of this paper is to update the IFRS Interpretations Committee (Committee) on the status of matters the Committee will not discuss at its June 2024 meeting. We have split the work in progress into ongoing matters and new matters.

Ongoing matters

2. There are no ongoing matters which the Committee is not expected to have discussed at its June 2024 meeting.

New matters

3. The following table summarises matters received but not yet presented to the Committee. We are currently in the process of analysing these matters, the requests for which are available on our website.

Topic	Brief description
Guarantee contracts issued on behalf of a joint venture	How an entity, in its separate financial statements, accounts for guarantee contracts that it issues on behalf of its joint venture.

4. This paper excludes requests that are still at a preliminary research stage. It therefore excludes requests for which further information is being sought from the submitter or other parties to define the request more clearly.
